

# BANKSMAN REVERSING VEHICLE

## Aim

To teach the Banksman to safely signal and reverse vehicles to designated locations.

## Objectives

Delegates will learn:

- ❑ The statutory duties under the Health and Safety at Work Act 1974 and other relevant legislation
- ❑ The hazards involving vehicles within the work place
- ❑ Correct signalling procedures and signalling techniques
- ❑ How to assess the risks involved with reversing vehicles

## The Course Covers

At the end of the course the delegates should be able to:

- ❑ Brief vehicle operators with regard to their responsibility
- ❑ Guide vehicles with due regard to the safety of themselves and others
- ❑ Direct the vehicle operator using the correct hand signals
- ❑ Assess the risks involved with reversing vehicles in the workplace and evaluate the hazards

## Course Duration

3-3.5 hours (max four students per course)

## Instructor

Accredited Instructor

## Certification

Certificate of Attendance
